SWINE FLU (Taking Precautions)

A Pandemic is being seriously discussed by
Doctors and World Leaders. The Archbishop has
sent some recommendations to all parishes. The
first is that we will not use a physical sign of
peace; perspiration on the hands can pass on the
flu. The Holy Water Font has been emptied for
the same reason. He also highly recommends
that we receive Holy Communion in the hand as
Communion received on the tongue could put
both the communicant and other communicants
at risk. Receiving from the Chalice is now also
deemed a risk; so until further notice we will
only receive Communion under one kind.

BAPTISM Samuel Donald Fenwick will be
baptized today. I ask you to remember him
and his family in your prayer.
