One World Week 2009: Hungry for One World. This
year One World Week invites us to reflect on the question:
"What do I hunger for? What do others hunger for? And
what does the world hunger for? Food, shelter, joy,
contentment, peace justice... We are called to reflect on
the needs of our local community, of our city and of the
wider world and to consider what we can do to make sure
that the "hunger" that we feel and share with others is met
with real actions. For more information, please visit
