This is the first of several gathering that will be held throughout the year for those who are considering a vocation to the Priesthood. During his recent visit to the UK, Pope Benedict XVI invited the young people of our country to listen to God and His call for their lives. The Pope said 'be open to His voice resounding in the depths of your heart'; this new group will provide an opportunity to discern and find out more about the priesthood today. If you would like to attend this event or would like more information then please contact Fr. James Preston 01942 673320.
