WORLD COMMUNICATIONS DAY

This year's World Communication Day is celebrated on Sunday 24 May. The Catholic Communications Network provides support for the Bishops of England and Wales in promoting the Gospel in the media. There will be a collection after all Masses next week to support its work.

Fr George has kindly facilitated a member of the Knights of St Columba to speak after each of the Masses next weekend, 23/24 May, in order to explain the work of the KSC and encourage new recruits to their Order. Members of the KSC will be available after each Mass to answer any questions you may have.

The first ever National Family Week is from 25th to 31st May. Make some happy memories for your family and start something special. Need some ideas? Contact a relative you've lost touch with. Organise a family party without waiting for a reason. Plan a picnic on Bank Holiday Monday (maybe a parish picnic?) Have a family film night with ice-creams and popcorn. Get out the photo album and bring back some memories! Family matters. Invest time in yours.
