Christmas Greeting

The wise men travelled many miles to bring the Christ child his first Christmas presents. May we remember with thankful hearts the love that comes with each gift that we receive.

Every year brings a new blessing; but the memories that we hold in our hearts of Christmases past are special moments that bring us close to the people we love both living and dead.

Let us give thanks to God for the amazing love that he continues to give us

May the Lord bless each of us with the true spirit of Christmas.

God bless you all
