LEAVING SAFE HARBOURS

Shaping the Future of our Pastoral Area.

Thank you to all those who have contributed to the recent round of parish conversations led by our parish reps this was completed last week. The reps have reported back that whilst numbers of people attending were perhaps less than we would have wished for, there was no shortage of discussion on the current PA issues and lively debate about how we could shape the future. Common to most meetings was the surprise at the reduction of people coming to Mass and the projected number of priests available for this area.

The reps are now collating your feedback already received. Please do feel free to continue with sending your thoughts in, either through your rep, the following email address—pastoralarea2@gmail.com, or Fr John Southworth at Our Lady of Mount Carmel.

Our plan for May is for the feedback to be reviewed by PAWG sub-groups concentrating on certain aspects of the PA's future needs. We will then come together towards the end of May to start outlining a draft Development Plan. We will then ask parishioners to discuss the input of this Plan probably through one or possibly three meetings across the PA.
