CEDAR - Catholics Experiencing Domestic Abuse Resources.

The Domestic Abuse Working Group (DAWG) of the Catholic Bishops' Conference of England and Wales have gathered a range of resources to help parishes, deaneries, dioceses, schools and organizations in the Catholic Church in England and Wales grow in awareness of issues surrounding domestic abuse. Their aim is to create an environment within the Catholic community in which domestic abuse is understood and recognised as unacceptable and where appropriate responses are available. For more information visit
